

# THE ROANOKE TIMES.

(DAILY AND WEEKLY)  
An Independent Democratic paper devoted to the material and political interests of Roanoke and Southwest Virginia.  
DO NOT ADVERTISE?  
"Do not advertise?" is like taking down your sign. If you want to do business you must let the public know it. I would as soon think of doing business without clerks as without advertising."

## HANDS OFF!

There are at least three Republicans in the House who do not acknowledge their bondsmen of DEM.  
Their names should be remembered by all good citizens, and they propose to make a gallant fight against the attempted interference of the national government with elections.  
Today the debate in the House on Lodge's bill for the regulation of Federal elections comes to an end. The vote will be taken, and against a measure of centralization, it is hoped will come from every Congressman a prompt and vigorous protest.  
We want no Federal interference with elections. Hands off the ballot boxes!

## THE INCOMING COUNCIL.

The new members of the Council have taken the oath of office and a new president has been elected.  
The retiring Council, which by the way is for the most part also the new Council, have the endorsement of the people. They have done their duty as they saw it, and they saw it in a right light. The public are satisfied with its work and finally the present body does as well, they may be assured that there will be no grumbling.  
The TIMES extends to the new, untried members of that august body the assurances of its distinguished consideration.

## ABOUT GRASS WIDOWS.

The grass widow is a mighty hard constitution to down. She is a creature of infinite resource, and has so shown herself to Mr. CONNOLLY, the chief inspector of New York.  
He had most pronounced views of the grass widow question, and didn't hesitate to express them. He also had the appointment of a number of women deputies, and he declared that none of them should be a grass widow. Now it seems that this raid on the grass widows has had one reasonably happy result, and has caused couples long separated to dwell together again in unity. A number of applicants to be made deputies have brought their recaptured husbands to them to Mr. CONNOLLY as vouchers for their eligibility.  
Mr. CONNOLLY must have had a very high opinion of himself. The idea of his trying to get ahead of the grass widow proves this, as many a man has known before his sorrow.  
The TIMES congratulates Mr. CONNOLLY, but at the same time, its sympathies go out to Mr. CONNOLLY.

## A STATO OF LADIES BORN IN GEORGIA.

There called Mrs. WHITE and Mrs. BLAKE, and they were all black.  
We would suggest that the next annual regatta of the Virginia boat clubs be held on the streets of Roanoke.

## THE PROSPECT OF A GREAT WAVE OF DEATH.

South of July oratory is slightly obscured by a promised wave of super-heated atmosphere.

## THE REPUBLICAN COMMITTEE WILL NOT MEET IN WASHINGTON TODAY ON ACCOUNT OF THE ILLNESS OF GENERAL WILLIAM MAHONEY.

It doesn't make much difference, however.

## THE CENSUS ENUMERATORS HAVE COMPLETED THE WORK OF CENSUSING, AND ARE NOW BUSY COUNTING THE RESULTS.

If you haven't been seen send your name to the office and we will see that you are. Roanoke must make a good showing.  
SIXTY-FOUR millions, five hundred thousand people now reside within the bounds of this great republic. Of this number 20,000 live right here in Roanoke and it would be pretty hard to find more enterprising, energetic and public-spirited 20,000 if you looked over the whole blamed 64,000,000.

## NOTHING - SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any case, no matter what the disease, from Leprosy to the simplest disease known to the human system.  
The scientific men of today claim and prove that every disease is  
**Caused by Microbes.**  
and  
**RADAM'S MICROBE KILLER** exterminates the microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.  
Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles, in all its forms, and in fact, every disease known to the human system.
